Recent Paintings and Videos

Jan. 20 – Feb. 18, 2012

Opening Reception:
Jan. 20, 2012, 6-9pm

Modified Arts presents recent paintings and videos from Los Angeles-based artist Alan Disparte. Disparte's paintings reflect an abstracted landscape rich with themes of industrialism, urban sprawl, organic matter, and geometrics. In the works, the artist seeks to find truth and nostalgia amidst mass production and the modern world. Modified Arts will also present several video works by Disparte, which explore his interest in the subversive nature of media.
