

FOR IMMEDIATE RELEASE

Modified Arts presents:

Heather Lembcke

Exhibition Dates:

Sept. 21 through Oct. 13, 2012

Opening Reception

Sept. 21, 6-9pm

With nature as inspiration, Los Angeles-based artist Heather Lembcke paints abstract landscapes using techniques borrowed from ink drawing to render a consistent palette of line, form, and color. Her paintings recall nature's inexorable chaos, however beautiful in its simplicity, through dense patterns and brush strokes that reflect a sense of controlled disorganization.
